Monday	What's wrong with our world?	 <p>Welcome to our World PPT Please go through and hold discussions:  <a href="#">Welcome to our world.pptx</a></p>	 <p>Dear God Help us all to be stewards on Earth Let us take care of God's creation Amen</p>
Tuesday	Discussion about how we can all be stewards	<p>Remind children of ppt from yesterday. Discuss what kinds of things they/we can all do to make a difference along the lines of not throwing things away/not buying things that may pollute the Earth. Steer towards how the smallest idea can make a big difference (in that if you start doing something yourself, others may follow if it's a cool idea). Suggest lunches and snacks...</p>	<p>Dear God Help us respect our world Let us do the right thing each day Help us to keep our planet healthy Amen</p>

*Show yourself in all respects to be a model of good works, and in your teaching show integrity*  
– **Titus 2:7**

		<p>Has anyone got a lunch they would be proud of sharing ie. Not rubbish to throw away?</p> <p>Tell the children that we are going to be collecting everyone's rubbish after lunch and snack and weighing it on certain days to see if we can reduce it over a few weeks (we did this before...).</p> <p>Tell them tomorrow we will be holding School council elections.</p>	
Wednesday	Class assembly:	<p>Hold class elections for each year group (not R)</p> <p>The first task will be leading reducing plastic in school.</p> <p><b>For next week</b>, ask children to bring in a piece of plastic that they would like to never use/buy again (appreciate that it's parents actually buying it)</p>

The Lord's Prayer

**Our Father in heaven,  
hallowed be your name,  
your kingdom come,  
your will be done,  
on earth as in heaven.  
Give us today our daily bread.  
Forgive us our sins  
as we forgive those who sin against us.  
Lead us not into temptation  
but deliver us from evil.  
For the kingdom, the power,  
and the glory are yours  
now and for ever.  
Amen**
