# STORYTime with Mrs Patten

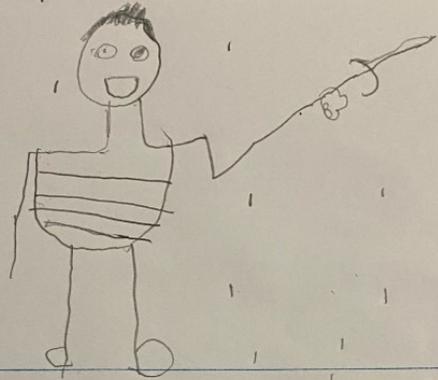

- Next week Mrs Patten is working from home and she would like to read you a story each day.
- Session 1- will be for Reception and Year 1 could choose this session.
- Session 2-an older story, suitable for Year 1 and year 2
- Session 1- 11:45am every day
- Session 2 -12:15 every day

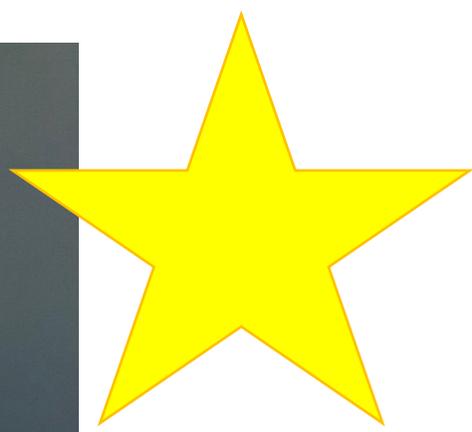

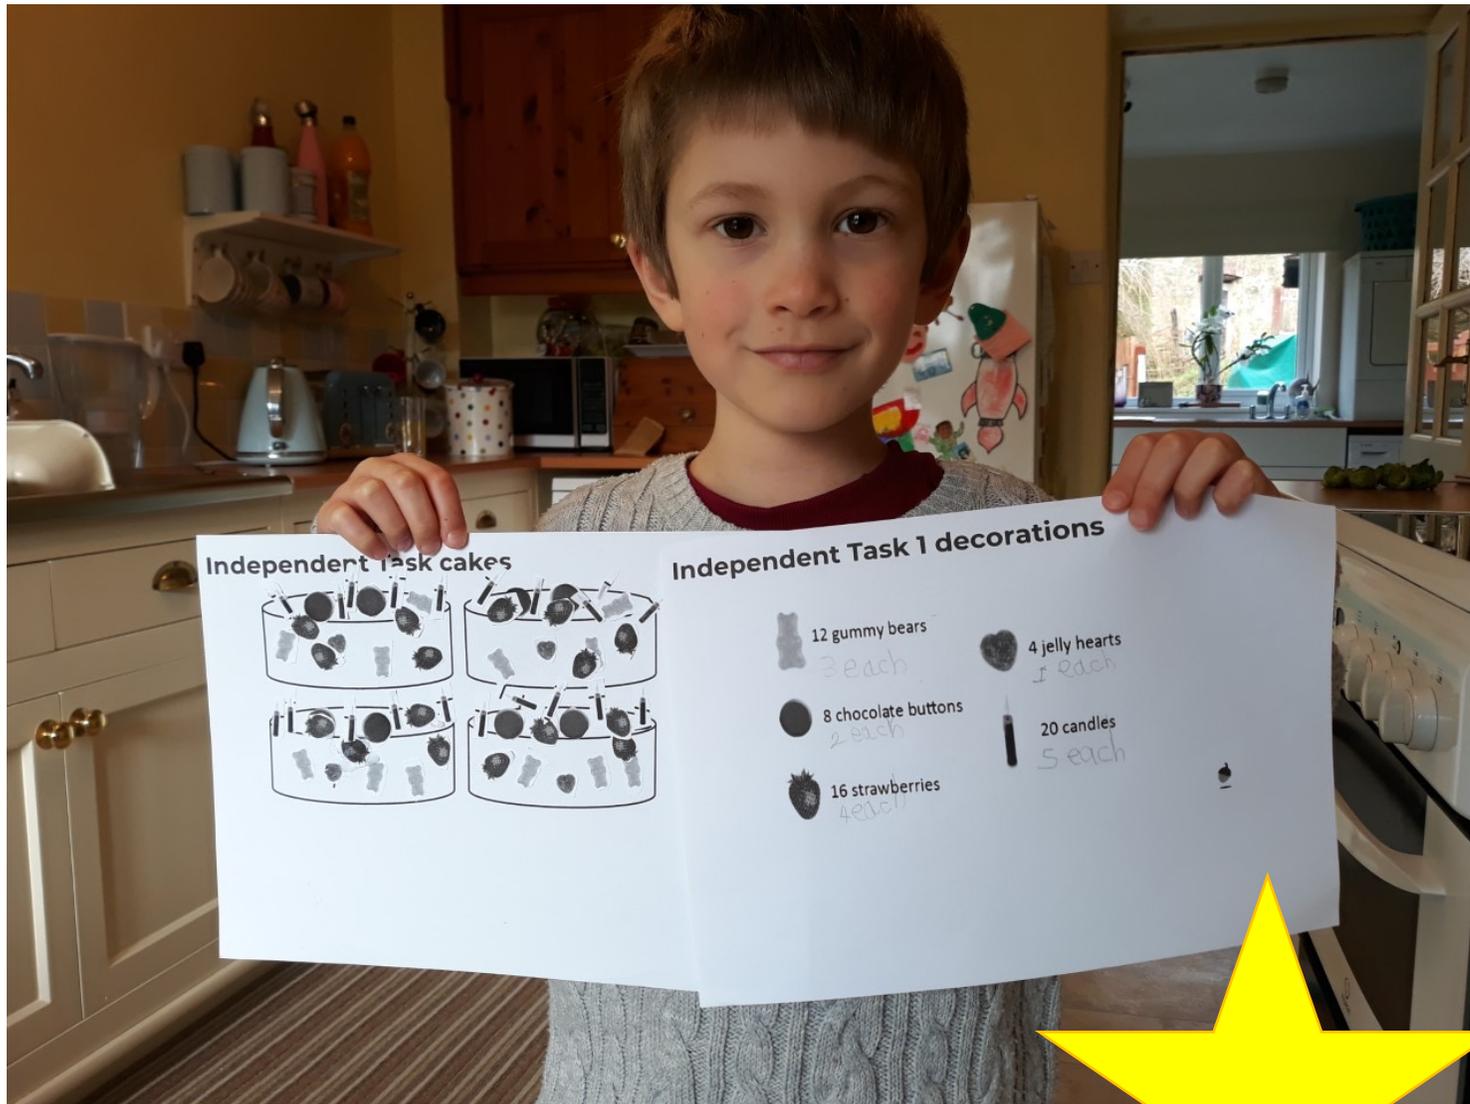

I went for a muddy walk  
in the rain. I found a huge  
strong stick, it was my  
sword. This was to fight  
The baddies.

Dear Mrs Oxenbury,

Thank you for the home learning you are giving me. I like the zoom lessons but I miss my friends.

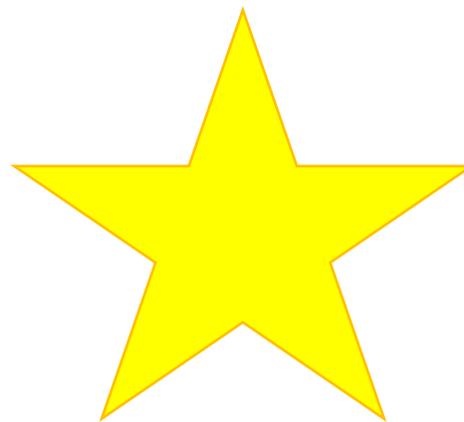

I really like the money maths and I can now write the £ sign!

Unit 4: Money, Lesson 7

### Calculating the total amount

1 Ava has £38 in her money box.  
Ava puts  into the money box.  
How much does she have now?

£38	£20
-----	-----

$£38 + £20 = £38 + £10 + £10 = 58$

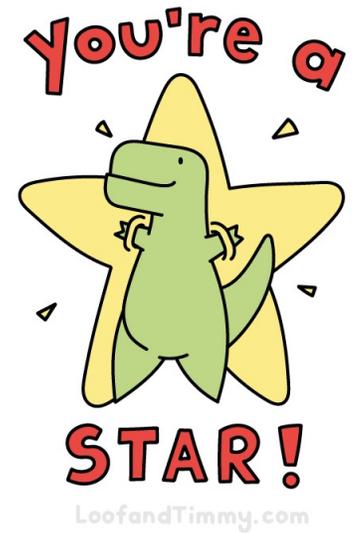

Ava has £ 58.

2 Cinema tickets cost £6 each. Peter buys two.  
How much does he spend?

£6	£6
----	----

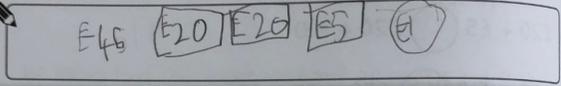

Peter spends £ 12.

Unit 4: Money, Lesson 7

Unit 4: Money, Lesson 6

5 Hassan has £26. Paige has £50.  
Mai has more money than Hassan but less than Paige.  
How much could Mai have?  
Draw notes and coins to make this amount.

**Reflect**

Bag 1 has more money in it than Bag 2.  
Explain how you know this.  
Try to use words like *total*, *greater*, *less* and *equal*.

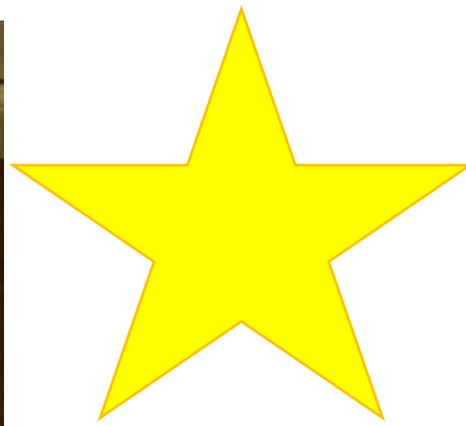

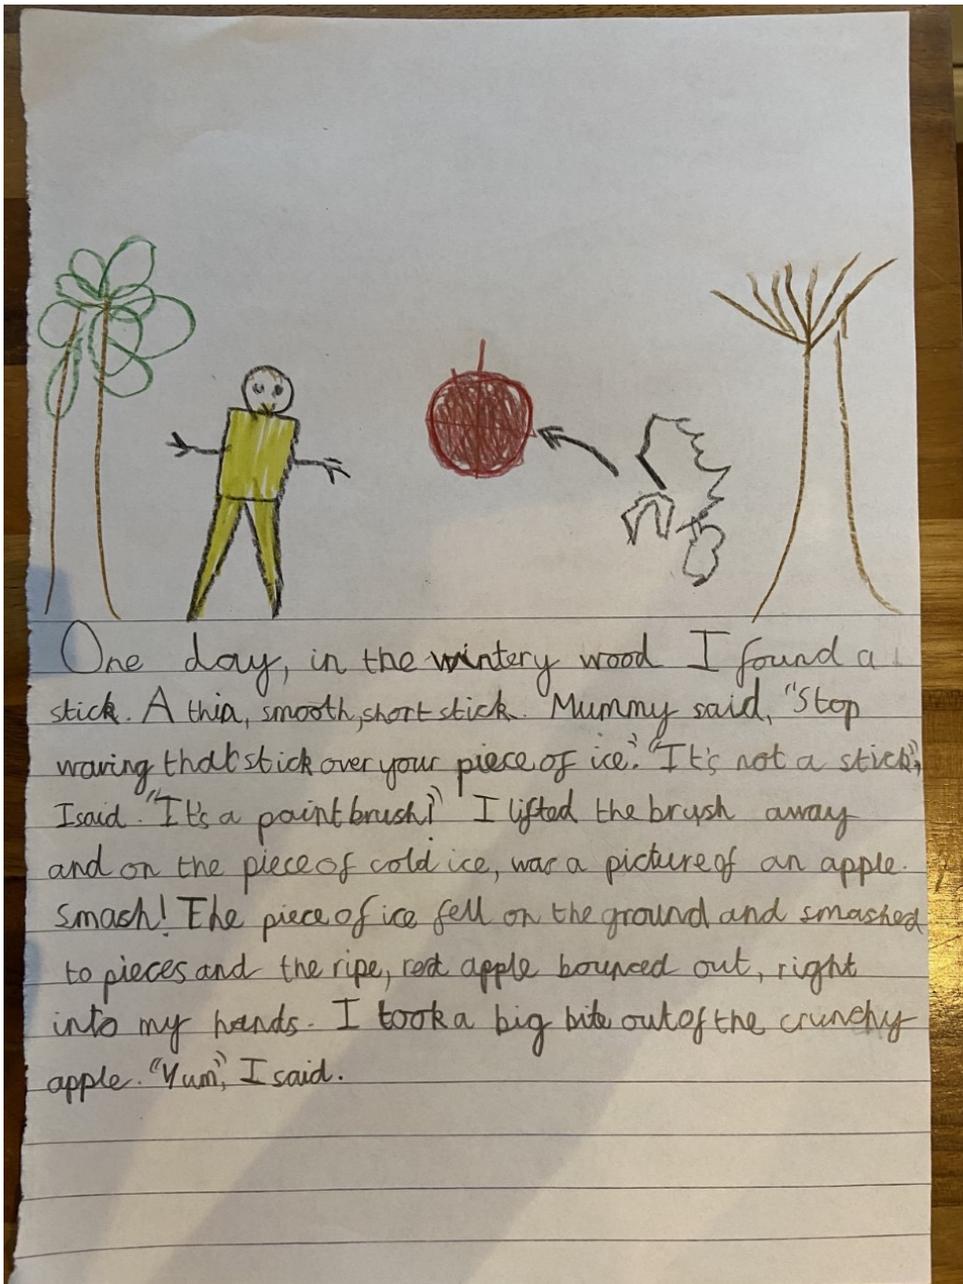

Bag 1      Bag 2

- Bag 1 has a £10 note
- and bag 2 has a £5
- note. The coins are
- the same.

# Well done to everyone!!!

- Have a lovely weekend.
- There will be some new packs to collect from school from Wednesday next week. They can be scanned to you if you would prefer. They are some extra sheets to help you to deliver the learning to your child.
- Thank you for all your support, your wonderful photos and all of your hard work.
