Learning together to be the best that we can be ~ for every child, life in all its fullness.

## July Newsletter

### Note from Mrs Greenham

I wanted to extend a huge thank you to all our wonderful families for being so supportive throughout another very different year! We have got there and enjoyed so many successes on the way! Our focus has been to do the best we possibly could for our pupils who we know have missed out over the past two years. We have tried to bring excitement, aspiration and brilliance into their lives and with your help, we have gone a long way to achieve this.

Spot some of our school values in action in a small selection below. Please have a look at many more on our website: <https://powerstock.school/news/>
