Learning together to be the best that we can be ~ for every child, life in all its fullness.

I am come that they might have life, and that they might have it more abundantly. John 10:10

2022-23

#### Note from Mrs Greenham

The school year is fast drawing to a close and thought it would be fun to have a round-up of things we have all enjoyed this year in this final newsletter. Please do click on the links to see how amazing your child has been this year!

This will be my final newsletter after almost eight wonderful years at Powerstock School. I can honestly say that I have loved it all and consider it an absolute privilege and honour to have been headteacher at such a unique, fantastic school. The reason it is so wonderful is because of you all. The children, staff, governors and of course you as parents have made my job a real joy with your kindness, support and determination to be the best that we can be - together. Thank you from the bottom of my heart, and Goodbye.
