

Powerstock Primary School

Learning together to be the best that we can be ~ for every child, life in all its fullness.

I am come that they might have life, and that they might have it more abundantly. John 10:10

June Newsletter

Note from Mrs Greenham

What a whirlwind so far this term! I think each child has had an opportunity to be the best that they can be in line with our school vision, at some point so far. Although Year 6 are past the SATs testing time, Year 1s have done their phonics testing, Year 2s have done their end of KS1 SATs and Year 4s have done their Multiplication checking exercise too! This is in between our usual lessons where Maths is going from strength to strength with our White Rose Scheme and Writing is reaching new heights with our carefully chosen high quality texts from the Literacy Tree project. The garden is out in full bloom, the Conker tree is fully laden and children are outside enjoying the wonderful surroundings as much as possible. We have enjoyed the KS1 sports day and are excited to do KS2 this Friday. A busy time in school!

Sailing

'Sailing For a Fiver' at Portland was a complete hit with Seatown, learning to sail these 2 and 3 man boats and it ended in a splash!

Phone Box Project

The PSA and the School Council have been busy renovating the phone box into a book library. Watch this space!

Seatown took part in Quad Kids, the interschool competition at Colfox, earlier this month. They all worked hard and did Powerstock proud.

Quad Kids

Moving Up Day

All the children got a chance to try out next year's class and our 2023 Reception class settled in beautifully. Much fun was had and we are all excited for September.

Reminders:

Please could all children be in school uniform each day,

Bring a water bottle, hat and sun screen in hot weather

Please be advised of the age restrictions around social media accounts to protect your child:
