Pay Policy for School Based Teaching Employees

1 September 2023 to 31 August 2024

Approved by the Full Governing Body: December 2023

1 INTRODUCTION

- 1.1 The School Teachers' Pay and Conditions Document (STPCD) places a statutory duty on schools and Local Authorities to have a pay policy in place which establishes the basis on which the school determines teachers' pay. The policy also provides a mechanism for teachers to appeal against any decision taken in respect of their pay.
- 1.2 The aim of establishing a pay policy is to ensure fair and equitable treatment for all teachers in the school.
- 1.3 The statutory pay arrangements for teachers give significant discretion to the Governing Body to make pay decisions. This includes pay progression, which is not automatic, and which will depend on the outcome of appraisal. When taking decisions regarding pay, the school will have regard to both the pay policy and to the teacher's particular post within the staffing structure of the school.
- 1.4 This policy has been consulted upon locally with the recognised Trade Unions through Dorset Council.

2 SCOPE

- 2.1 This policy applies to all teaching employees in Powerstock School. It applies the framework recommended to Governing Bodies by the Local Authority and covers all key areas of pay determination that the Governing Body needs to consider.
- 2.2 The arrangements for determining pay in respect of school based non-teaching employees are outlined in the school's 'Pay Policy for School Based Non-Teaching Employees'.

3 POLICY STATEMENT

- 3.1 All decisions relating to pay determination shall be taken in compliance with the STPCD.

- 3.2 The Governing Body will comply with relevant employment legislation: Employment Relations Act 1999, Part-Time Worker (Prevention of Less Favourable Treatment) Regulations 2000, Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002 and the Equality Act 2010.
- 3.3 The school will take decisions about pay in respect of all teachers, in a fair, transparent and equitable manner.
- 3.4 The school will review its policy each year and consult with staff and Trade Unions, as appropriate, to ensure that the policy reflects the latest statutory position as determined by the STPCD.
- 3.5 This policy includes advice received from the Local Authority HR & OD Service on amendments that may need to be made to the recommended school's pay policy to ensure that the policy reflects the latest statutory position, as determined by the STPCD and other legislation, as appropriate.

4 PAY REVIEWS

- 4.1 Pay reviews may take place at other times of the year (i.e. other than 1 September) to reflect changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay.
- 4.2 A written pay statement will be given no later than one month after the determination, and where applicable, will give information about the basis on which the determination was made.
- 4.3 Where a pay determination leads, or may lead, to the start of a period of safeguarding, the Governing Body will give the required notification as soon as possible and no later than one month after the date of the determination.

Pay Determinations

- 4.4 The Governing Body will establish a committee to make determinations of pay in accordance with the pay policy and the STPCD. (This may be a delegated responsibility of the school's existing Finance, Pay & Environment Committee). The committee has fully delegated powers and shall be established in accordance with the appropriate school governance regulations.²
- 4.5 Decisions of the Finance committee will be communicated, in writing, to each member of staff by the Head Teacher. Decisions taken in respect of the Head Teacher will be communicated to the Head Teacher, in writing, by the Chair of Governors.

The Professional Standards

- 4.6 The Teachers' Standards were introduced from 1 September 2012. The standards set a clear baseline of expectations for the professional practice and conduct of all teachers, from the point of qualification through to leadership.
- 4.7 The Teachers' Standards will be used to assess all trainees working towards ECT, and all those completing their statutory induction period. They will also be used to assess the performance of all teachers' subject to the Education (School Teachers' Appraisal) (England) Regulations 2012. This framework is intended to help teachers as they plan their careers and discuss their future development with their line

² Further advice may be sought from Governor Services

managers. The standards provide a backdrop to discussions about how a teacher's performance should be viewed in relation to their current career and the career stage they are approaching.

- 4.8 The governing body recognises that within the framework the standards are designed to be cumulative and progressive. The teacher standards underpin all the subsequent standards and continue to apply at all subsequent career stages. Where teachers are subject to appraisal, assessment that a teacher meets the teacher standards is carried out through the appraisal process.
- 4.9 Decisions on basic pay determination in respect of part time employees; those employees employed on fixed term contracts; those employees on maternity, adoption or shared parental leave and those on long term sick leave will be taken in accordance with the same timescales and processes as for all other employees, so as to ensure equitable treatment of all groups of employees.
- 4.10 Clear differentials will be created and maintained between posts within the school, recognising accountability, job weight and the school's need to recruit, retain and motivate employees at all levels.

Basic Pay Determination on Appointment

- 4.11 The Governing Body will determine the pay range for a vacancy prior to advertising that post. On appointment it will determine the starting salary within that range to be offered to the successful candidate.
- 4.12 In making such determinations, the Governing Body may take into account a range of factors including the nature of the post, the level of qualifications, skills and experience required and the context of the school structure,
- 4.13 When determining the starting pay for a classroom teacher who has previously gone through the threshold and is paid on the Upper Pay Range, the Governing Body may decide to pay on the Upper Pay Range. The decision will depend upon the post having been advertised at this level and the qualifications, skills and experience of the candidate.

- 4.54 Teachers employed on a part time basis have the right to not be treated less favourably than full time employees as outlined in the Part Time Workers (Prevention of Less Favourable Treatment) Regulations, 2000.
- 4.55 The Governing Body will provide part time teachers with a written statement in the form of their contract, detailing their working time obligations and the mechanism used to determine their pay, subject to the provisions of the statutory pay arrangements. The Governing Body will ensure this information is maintained and updated accordingly.
- 4.56 Part time teachers shall be paid a proportion of the remuneration that would be paid if they were employed on a full-time basis.
- 4.57 Part time teachers are entitled to PPA time pro rata to full time teachers.

Short notice/supply teachers

- 4.58 Teachers who work on a day-to-day or other short notice basis have their pay determined in the same way as other teachers. Teachers paid on a daily basis will have their salary assessed as an annual amount, divided by 194 days; periods of employment for less than a day being calculated pro rata. **(STPCD 2023 paragraph 40-41)**
- 4.59 A teacher engaged by a school specifically **for the full day** is entitled to claim payment calculated by reference to 1/194th of the aggregate annual salary of an equivalent full time teacher. A full day's engagement would not ordinarily be limited to the duration of the school's sessional period and the teacher will be expected to

undertake work other than the teaching of pupils, as directed, i.e. to undertake on that day the full range of work of the regularly employed teacher, for whom (s)he is substituting.

- 4.60 A teacher engaged on a particular day by a school specifically for a period or periods which amount to **less than a full day**, is entitled to claim payment for the time worked calculated pro rata to that of an equivalent full time teacher.
- 4.61 In this case payment will be claimed by reference to the hours agreed between the school and the teacher at the outset of the engagement or as subsequently modified, by agreement, for additional work undertaken. Normal mid session breaks will be included as part of the hours offered.
- 4.62 The hourly rate of payment will be determined by reference to the average directed time of an equivalent full time teacher – i.e. 6.5 hours per day.
- 4.63 The school will, in contracting the teacher, make clear at the outset the terms of the engagement, including the number of hours to be worked and the level of pay for that engagement. Where, following acceptance of these terms, the teacher requests confirmation of the details, this will be confirmed by the school in writing as soon as possible thereafter.

5 PAY PROGRESSION BASED ON PERFORMANCE

- 5.1 The Governing Body agrees the school budget and will ensure that appropriate funding is allocated for performance pay progression at all levels. [The Governing Body recognises that funding cannot be used as a criterion to determine pay progression or progression to the UPS.]
- 5.2 The arrangements for teacher appraisal are set out in the school's Appraisal Policy.
- 5.3 Decisions regarding pay progression will be made with reference to the teacher's appraisal reports and the pay recommendations they contain. Final decisions about whether or not to accept a pay recommendation will be made by the Governing Body, having regard to the appraisal report and taking into account advice from the senior leadership team.
- 5.4 All teachers can expect progression to the top of their pay range as a result of successful appraisal reviews.
- 5.5 To be fair and transparent, assessments of performance will be based on evidence. Fairness and equity will be assured by annual monitoring by the Governing Body of the applications of the pay policy and pay decisions.
- 5.6 Early career teachers (ECTs) starting their induction on or after 1 September 2021 are not subject to annual appraisal and pay review cycles during their induction period. Decisions on ECTs' pay will be by means of the statutory induction process for ECTs.
- 5.7 ECTs may be awarded pay progression at the end of the first year of their induction period. However, annual progression is not automatic or guaranteed, and decisions regarding pay progression will be made based on:
- Evidence gathered during progress reviews and assessment periods
 - Formal assessment reports
- 5.8 There is no statutory requirement to award ECTs pay progression on completing their induction. The decision on any pay progression will instead be made:

- With regard to the ECT's performance and their final review
- With due regard to the government's expectation that good classroom teachers should expect to reach the maximum of their pay range within 5 years of starting their career teaching

Head Teacher

- 5.12 The Head Teacher must demonstrate sustained high quality of performance, with particular regard to leadership, management and pupil progress at the school and meet all objectives against the Headteachers Standards and be based on specific criteria agreed by the governing board. This will be subject to a review of performance (in accordance with the school's Performance Management Policy) against performance objectives before any performance points will be awarded.
(Refer to STPCD 2023, para 11)
- 5.13 The Governing Body will consider the following in determining the amount of any pay progression: completion or part completion of performance management objectives to the satisfaction of the governing body.
- 5.14 Where the appraisal review does not demonstrate successful achievement of set objectives, no pay progression will be awarded. The appraiser will inform the appraisee during the course of the year if performance is falling short and should be given assistance to achieve the standards required.

Post Threshold Teachers

- 5.24 Post Threshold teachers will be subject to an annual review of performance. Progression within the UPR will be at two yearly intervals and is subject to two consecutive successful appraisals and the Governing Body being satisfied that the teacher's achievements and contribution to the school have been substantial and sustained. For annual progression to be awarded, teachers will be expected to have achieved performance management objectives and action plan tasks completed.
- 5.25 Where the appraisal review does not demonstrate successful achievement of performance management objectives and action plan completion, no pay progression will be awarded. The appraiser must tell the appraisee during the course of the year if performance is falling short and should be given assistance to achieve the standards required.

Classroom Teachers on the Main Scale

- 5.26 Main scale classroom teachers will be awarded pay progression on the Main Pay Range following each successful appraisal review. The criteria for pay progression is set out below: performance management objectives and action plan completion.
- 5.27 A classroom teacher may be awarded additional pay progression on the main pay range for excellent performance over the previous academic year, having regard to all aspects of their professional duties, but in particular classroom teaching. The Governing Body will only exercise this discretion on the recommendation of the reviewer, where the outcomes of the performance review demonstrate that such an award is clearly merited.
- 5.28 Where the appraisal review does not demonstrate successful achievement of performance management objectives and action plan completion, no pay progression will be awarded. The appraiser will inform the appraisee during the course of the year if performance is falling short and should be given assistance to achieve the standards required.

9 PROCESS WHERE DISSATISFIED WITH DECISIONS OF PAY

- 9.1 A teacher has a right to seek a review of any determination in relation to their pay or any other decision taken by the Governing Body (or a committee acting with delegated authority) that affects their pay.
- 9.2 At specified points in the appraisal process teachers and Head Teachers also have a right of appeal against any of the entries in their planning and review statements, including changes made to the statement during the cycle.

- 9.3 Where a reviewee wishes to appeal on the basis of more than one entry this would constitute one appeal hearing¹⁵.
- 9.4 Any appeal should be deferred until after the moderation process is complete where the Head Teacher has indicated an intention to moderate the statements.
- 9.5 Initially, the teacher must seek to resolve any dissatisfaction with the decision informally, with the Head Teacher (or in the case of the Head Teacher, the Chair of Governors, or representative) within 10 working days of receiving written confirmation of the decision. This informal process is considered Stage 1.
- 9.6 Where this is not possible, or in cases where the teacher is dissatisfied with any informal resolution, they may follow a formal appeals process.

10 APPEALS AGAINST DECISIONS OF PAY

- 10.1 The order of proceedings for appeals will be as follows:
- 1 Having not resolved matters via informal means (Stage 1), the teacher / Head Teacher has a right of appeal against the pay determination. They should set down, in writing, the grounds for questioning the pay decision and send it to the Chair of Governors, within ten working days of the notification of the decision being challenged or of the outcome of the discussion referred to above. This formal written submission initiates Stage 2.
 - 2 The Chair of Governors should arrange a Stage 2 Hearing within ten working days of receipt of the written grounds for questioning the pay decision to consider this and give the teacher an opportunity to make representations in person. The person (or panel) representative) who made the recommendation for the decision may also be called into the hearing to present their recommendation. Following the hearing the employee should be informed in writing of the final decision within 5 working days.
- .
- 10.2 The teacher is entitled to be accompanied by a colleague or Trade Union representative, at each of the formal stage of the appeals procedure.
- 10.3 The guidance note attached as **Appendix 1** provides further information about the process for appealing against a pay determination.
- 10.4 Further advice on managing appeals against pay determination is available from the DfE via the Gov.uk website.
