Kensuke's Kingdom
LITERACY

Our topic will be led by this book which will enable us to: write diaries, instructions, letters and information texts; hold debates; imagine stories and create haikus. SPAG topics will include parenthesis, hyphens, connectives & relative clauses, similes, metaphors & personification.

GEOGRAPHY

Explore the world's continents and oceans identifying specific locations from the book. Water Follow the journey of a river, explore our local river & find out about river processes. Create sound poems & use personification. Map/atlas work.

Science

Travel to space & find out about night, day, shadows, sundials, theories about our solar system.

GOING PLACES

Science , PE and Wellbeing

Finding out how blood, water, oxygen & nutrients travel around the body. Go on a 'health journey to track improved health as we spend time on walks & being outside. Appreciate our local area. Outside games & activities & Forest School to fill us with fun & relaxation. Mindfulness Moments in class time.

Maths

To link with mapmaking, we will look at co-ordinates, time, time zones and timetables, roman numerals. We will link exercise and improving our fitness with data recording and graph making. We will spend a lot of time reading, writing & manipulating numbers.

RE - Commitment

How Muslims show commitment but also how we each make commitments on our own personal journeys.

Art and DT

Create watercolour scenes especially sunsets & sunrises Make sundials, design shelters and escape vessels

French

Locating France, its cities & neighbouring countries. Greetings, talking about ourselves, all learnt through outside learning, actions and games.

PSHE

How to stay well online as well as mentally, emotionally & physically. Keeping safe in the physical world as well as the virtual one.

HISTORY

Create a personal project based on any explorer of their choice.

Computing

Link spreadsheets work with data collection in science. Challenging media imagery and information.

PE

Archery, quicksticks, netball & invasion games.

Daily Mile
