

### Literacy

Historical fiction; writing our own Stone Age story based upon 'The first drawing'  
Explanation texts through the book 'until I met Dudley'  
Poetry inspired by 'Jim a cautionary tale'  
Spellings ,handwriting and reading  
Class book: 'Stig of the dump'

### Maths

Place value  
Addition  
Subtraction  
Multiplication and division  
Problem solving and reasoning. Times tables

### Science

**Rocks and soils:** We will observe rocks, including those used in buildings and explore how and why they might have changed over time; we will identify and classify rocks according to whether they have grains or crystals, and whether they have fossils in them. We will learn that fossils are found in sedimentary rock and explore how fossils are formed.

**States of matter:** Compare and group materials. Observe that some materials can change states and these can be reversible or irreversible

### P.E
